

## Solid Waste Program Premium Service Application Form

UPDATED: December 2022

Premium, at-the-door service for trash and recycling collection is available to households for an additional \$495 per year. Yard waste and bulk items must still be brought to the curb. The Premium Service fee is in addition to the base fee of \$285 for Solid Waste Services and the administrative and community recycling fees of \$15.50 combined. The fee runs January 1 through December 31 each year. The premium service fee will be prorated based on the date the service began.
